Dear Mr. Rafter:

Joint Commission ID #: 3377  
Accreditation Activity Completed: 9/12/2005  
Accreditation Activity: Evidence of  
Standards Compliance

The Joint Commission would like to thank your organization for participating in the Joint Commission's accreditation process. This process is designed to help your organization continuously provide safe, high-quality care, treatment, and services by identifying opportunities for improvement in your processes and helping you follow through on and implement these improvements. We encourage you to use the accreditation process as a continuous standards compliance and operational improvement tool.

The Joint Commission is granting your organization an accreditation decision of Accredited for all services surveyed under the applicable manual(s) noted below:

- Comprehensive Accreditation Manual for Laboratory and Point-of-Care Testing.

The following laboratory services have been surveyed under Joint Commission standards in accordance with the Clinical Laboratory Improvement Amendments of 1988:

CLIA# 34D0247477 for the specialties and subspecialties of Toxicology.

We encourage you to share this accreditation decision with your organization's appropriate staff, leadership, and governing body. You may also want to inform the Centers for Medicare and Medicaid Services (CMS), state or regional regulatory services, and the public you serve of your organization's accreditation decision.

Please be assured that the Joint Commission will keep the report confidential, except as required by law. To ensure that the Joint Commission's information about your organization is always accurate and current, our policy requires that you inform us of any changes in the name or ownership of your organization or the health care services you provide.

Please visit [Quality Check®](#) on the Joint Commission web site for updated information related to your accreditation decision.

Sincerely,

Russell P. Massaro, MD, FACPE  
Executive Vice President  
Division of Accreditation and Certification Operations
